Following the experience is a wine tasting with our Cellarmaster, where the wines are presented, tasted, and then discussed. The Hunter Valley Wine School is also available for those who wish to learn even more about wine. See the page 7 for more detailed information.

Every Hunter room has a full size bath & shower, a queen bed, plus either another double sofa bed, OR, two single beds. Vineyard rooms feature a king bed and wonderful views over our vineyards. Spa Cottage rooms are located away from the main accommodation area and feature a king bed, plus a double corner spa, huge balcony and kitchenette.
