## HUNTER VALLEY RESORT

Warm greetings

We would like to take this opportunity to personally thank you for your trust and support.

Our family have been in the hotel business looking after guests over four generations, with two generations still living onsite and working every day at Hunter Valley Resort. Our greatest priority is that our guests and team members feel safe and secure at our hotel.

This compendium has lots of information to help you enjoy the many activities found onsite.

**We are available day or night on extension 298 should you have any query or concern.**

**COVID-19 measures** - we have implemented:

- The NSW Covid laws now require you to register via the QR code for each meal time. Paper registrations are no longer allowable. We thank you for your understanding.
- We have lots of open space – in fact 100 acres to enjoy walking, and our Adventure Centre with walking trails, horseriding, segway, & electric bikes...
- We are offering a takeaway menu for those guests who would prefer to dine on their private balconies, or in their guestrooms.
- Everyone, including guests and team members, has easy access to health stations with sanitising gel right across the property.
- Ongoing training has been put in place to ensure team members are fully prepared to provide information and updates to our guests.

To stay in touch and receive our great offers, please register at <https://bit.ly/2YrSwNt>

Lastly, we would sincerely appreciate your feedback and suggestions. Please take a moment to complete the “Pillowtalk” in your room. Thank you!

With kind regards,

*The Heli family and staff*
